### VENUE

The first day of the event (24<sup>th</sup> April 2024) – **3rd International PhD Students' Conference: Environment-Plant-Animal-Product (ICDSUPL)** – will be held at the University of Life Sciences in Lublin and it will have a hybrid format. Stationary events will be held at the Congress Hall and Conferences Halls of the University of Life Sciences in Lublin, Akademicka 15 street, Lublin.

The second and the third day of the event (25-26<sup>th</sup> April 2024) – **International Workshops supported by the STER NAWA project "Actions towards the internationalization of the Doctoral School of the University of Life Sciences in Lublin (I-SDUPL)"** – will be held in Janów Lubelski only in stationary format.

### TARGET GROUPS

We invite PhD students of doctoral schools, PhD students of universities, research and scientific institutes as well as graduates of studies and young researchers to participate in the event.
